

debt consolidation

WHY AUSSIES ARE MAKING THE SWITCH

Instead of juggling multiple payments with different due dates and interest rates, debt consolidation gives you one clear payment that fits your pay cycle.

the immediate wins:

- ✓ one payment date that works with your budget
- ✓ clearer picture of exactly where you stand
- ✓ potential interest savings (especially from credit cards)
- ✓ room to breathe in your weekly expenses

HOW FIDO FINANCE MAKES IT EASY

Your personal finance broker does all the heavy lifting for you. No endless applications or repeating your story to multiple lenders. We review what you currently owe, find you better rates or terms, and handle all the paperwork.

Our friendly team speaks plain English (no confusing jargon!) and takes time to understand your complete financial picture **and aspirations** before making any recommendations.

IS THIS RIGHT FOR YOU?

great fit if you:

- ✓ want to simplify multiple debts
- ✓ are tired of tracking different due dates
- ✓ want a clear path to being debt-free

maybe wait if you:

- ➔ haven't addressed spending habits yet
- ➔ might rack up new debt once cards are cleared

YOUR NEXT STEPS CHECKLIST

- ☐ add up your total current debt
- ☐ list your current interest rates
- ☐ consider your financial goals
